

PRESS RELEASE

GSG Impact Trustees' Board Meeting Held at the Residence of the Ambassador of the Republic of Türkiye in London.

London, 17 September 2025 – *Global Steering Group for Impact Investment (GSG Impact) Trustees' Board Meeting*, which brings together the leading representatives of the global impact investment ecosystem, was hosted by **Ambassador Osman Koray Ertaş of the Republic of Türkiye** at the historic Residence of the Turkish Embassy in London.

The gathering began with welcoming remarks by **Ambassador Osman Koray Ertaş of the Republic of Türkiye**, followed by a luncheon where guests exchanged views on the future of impact investing on a global scale. The program continued with the **GSG Impact Trustees' Board Meeting**, attended exclusively by Board members, in the afternoon session.

Held in a hybrid format, the meeting brought together distinguished leaders of the global impact ecosystem, including GSG Impact Chair **Sir Ronald Cohen**, Chair of the Board **Rt Hon. Nick Hurd**, and CEO **Elizabeth Boggs Davidsen**. Trustees representing the United Kingdom, Nigeria, Spain, South Korea, the United States, Zambia, Brazil, Türkiye, Belgium, and India also took part. Türkiye was represented by **Şafak Müderrisgil**, Chair of the Impact Investment Advisory Board of Türkiye (EYDK), who was elected in December 2024 as a Trustee of the GSG Impact Trustees' Board.

About GSG Impact

GSG Impact is an independent global initiative established in 2015 as the continuation of the Impact Investment Taskforce launched under the UK's G8 Presidency. GSG Impact's mission is **to accelerate the transition to an impact economy** where investments generate not only financial returns but also social and environmental value. Today, through its 43 national partners and global collaborations, GSG Impact works to advance policy, establish investment standards, and promote innovative financing models.

EYDK and Türkiye's Role

Since 2022, Türkiye has been represented within GSG Impact by the **Impact Investment Advisory Board of Türkiye (EYDK)**, one of the 43 national partners. EYDK aims to mainstream impact investing in Türkiye, foster the development of policies, standards, and practices, and strengthen collaboration with global networks. With **Şafak Müderrisgil** serving both as **EYDK Chair and GSG Impact Trustee**, Türkiye ensures strong and effective representation at the international level.

This prestigious meeting at the Residence of the Turkish Ambassador in London holds great importance not only for the global strategies of GSG Impact but also for enhancing Türkiye's visibility and contribution in the global impact investing agenda.
